

## **Middle School Write On!**

### **Reflection Paragraph**

*Take some time this week to reflect on all we have done this semester. Think back to the first week and what your impressions of poetry were then compared to what they are now.*

*How has your knowledge of and feelings toward poetry changed?*

*What do you think of yourself as a poet?*

*Was writing poetry easier or more challenging than you thought it would be?*

*What was your favorite assignment this semester? Why?*

*Did you discover any new favorite poems or poets?*

Write a complete paragraph (or two if needed). Reflecting on the semester and including your answers to the questions below.
